The Pullman Annual
of 1947

Published By The
Graduating Class of The Pullman
Free School of Manual Training

FOREWORD

Soon we, the class of '47, will be graduating from our beloved Pullman Tech. We are leaving behind four years of work and play, of joys and sorrows and of golden friendships. Let us then leave this, the 29th volume of the Annual, as a record of the past four years—four most happy years at Pullman Tech.

DEDICATION

In appreciation of the service he has rendered us, we, the class of '47, dedicate this annual to our good friend, Mr. Long.

URBAN G. WILLIS

RESPONSIBILITY AND OBLIGATION

As you leave high school, it is an appropriate time to remind you that for almost all your lives you have been on the receiving end. Things have come your way. Benefits have been freely bestowed upon you. From now on, each of you must row your own boat, and later carry passengers in it. That is another way of saying that you are grown up and have to take responsibility, and fulfill your obligations to your family and to your country. We have been trying to prepare you, both physically and mentally, for these adult responsibilities. Those who have been earnest, studious, diligent and well-behaved have profited by our efforts. Any who have not taken full advantages of the opportunities at Pullman Tech. are sure to regret it many times. I hope that these are very few in number.

URBAN G. WILLIS,
Principal.

WM. C. BRUBAKER

RESPONSIBILITY

One of the principal lessons you should be learning as you prepare for life is that of responsibility.

Nations make treaties and break them; employers and unions sign contracts and do not observe them. Public officials take oaths of office and do not fulfill them. Pupils have school and home duties and shirk them.

You have been acquiring skills or the "ability" to perform tasks. Have you also developed the desire or "response" to discharge your obligations?

In a word, do you accept response-ability?

No other single quality will make you of such great worth to your employer, your circle, and yourself.

WILLIAM C. BRUBAKER

$$\frac{20 \div 30^4}{2934425}$$

$$\frac{20 \times \pm^2}{15282} \quad \frac{+1}{+1}$$

$$\frac{15223AOPY}{15 \times 00} = \sqrt{2039}$$

$$\frac{5693252AX}{AC32} \quad \frac{+1}{\sqrt{32}} \frac{10}{10} =$$

$$\frac{952AR^{10} \times 232YX^3}{15932}$$

$$\frac{YAC^{110^2}}{\sqrt{232}^{10}} = \sqrt{2413}^?$$

$$\text{Thus } \frac{Z}{+Z} \frac{Z}{A}$$

$$= \sqrt{53AZ} \quad \frac{Z}{Z} = \frac{A^2}{4}$$

$$\begin{array}{r} 54 \\ 89 \\ 72 \\ 32 \\ \hline 2 \end{array}$$

$$\frac{522YZOP}{22APCZ^2} = \sqrt{4}$$

SENIOR CLASS

From big-eyed freshies in September, 1943, to stately seniors marching down the aisle at Mandel Hall is a transition accomplished in four memorable years at Pullman Tech. It is accomplished by patience on the part of the instructor and diligence on the part of the student. It is the result of acquiring from our instructors as much as possible from their wealth of knowledge and practical experience.

A great deal of credit must be given to our class advisers, Mrs. Adams and Mr. Plutz, for their invaluable aid in helping to arrange our social affairs and for conducting them in a satisfactory manner.

As we leave then, diplomas in hand, let us always remember our alma mater, the knowledge we have gained, and the man who made all this possible.

PETER NEGRO
127 W. 104th Place
Mechanical Drawing
"It is better to wear out
than to rust out"

"Goodness is the only investment
that never fails."
Camera Club 4, Cheerleader 1-2.

IN MEMORIAM

Mr. Adolph A. Neff, for twenty years a teacher at Pullman Tech., died Tuesday, January 7, 1947 at his home in Aurora, Illinois. He was born at Burlington, Iowa, May 20, 1876. He received his training at Purdue University and at the University of Nebraska, gaining a degree in engineering from the former. After teaching at Loyola University, Mooseheart, and the University of Wisconsin, he became head of the department of Mechanical Drawing at Pullman Tech.

Mr. Neff's ever enthusiastic and youthful spirit endeared him to all the students and faculty, and he has been greatly missed since he retired, and is sincerely mourned by all who knew him.

HONOR LIST FOR SEMESTER ENDING JANUARY 31, 1947

Marian Musich.....95-1/2
 Gerald Hoekstra 95
 Joyce Johnson 95
 Charles Rimkus 95
 Cecelia Lenart.....94-1/2
 Frances Maiuski 94-1/2
 Meline Kabat.....94-1/4
 Vivian Malloy 94-1/4
 William Semple.....93-1/2
 Edouard Valette 93-1/2
 Albert Van Dyke.....93-1/2
 Fred Belz.....93-1/3
 Jacob Water.....93-1/3
 Mary Jez.....93
 Doris Ravachietto 92-3/4
 Joan Tritsch.....92-3/4
 Gloria Dalla Costa.....92-1/2
 Cecilia Zralka 92-1/2

 Edward Yuknis.....87

WHO'S WHO

EDOUARD VALETTE

Ed is class valedictorian. As the highest ranking boy he also received the Founder's Medal. His achievements in school, both in his studies and in other activities have been outstanding.

MARIE MILLER

As second highest in the graduating class, Marie is the author of the Class Essay. She was also chosen for the American Legion Auxiliary Award, presented each year to a senior girl for her cooperative spirit and service to the school.

WILLIAM SEMPLE

William has been an enthusiastic supporter of many school activities since he was a freshman. This year the Annual took shape under his editorship. In recognition of his fine spirit and hard work, he has been awarded the American Legion Medal.

CHARLES RIMKUS

Another worker on a school publication is Charles Rimkus, who has done a fine job as editor of the Manual.

GERALD HOEKSTRA

Gerald won the Ritter Medal for his skill in mathematics.

RICHARD WONDAAL

Richard was the captain of our very successful football team.

ALBERTA ZYLSTRA

Alberta won the title of World Champion School Typist in a contest open to any student of typing.

ALBERT VAN DYKE

As the hard working assistant editor of the Annual, Albert contributed very greatly to its success.

WILLARD LINDELL

Willard was awarded the Hostrawser Medal for his work in the Pullman Tech. Band.

VIVIAN MALLOY

Her class advisers have chosen Vivian as the most representative junior girl.

JAMES McGEE

James was chosen by the class advisers as the most representative junior boy.

RHODA DYKMAN

The Drum Corps Medal was awarded to Rhoda for her work in that organization.

DOMENICK FORTE

Domenick won the Lowden Debating Medal.

FRESHMAN CLASS

On the first day of school the freshman feels like a stranger among the other new students, but in a few weeks he has become acquainted with a lot of new friends. The favorite subjects of the freshies are the shops. It seems that as soon as he becomes acquainted with one shop he is switched to another one. The freshman finds it hard to keep out of trouble. Before the report cards come out, he is worried that he will not be in Tech. for the next semester. At all the school activities the freshies are well represented. If they are not taking part in athletics, they are on the sidelines cheering for their team to win. The freshman looks forward to 1950 when he will be a senior. Then he will look back on his freshman year and be thankful that his work and sufferings have enabled him to become a senior.

GIRLS' CLUB

The Pullman Tech. Girls' Club was established in 1922. Every club must have advisers to direct the club officers and to see that the organization is kept running smoothly. The two directors of the Girls' Club are Miss Roberta Wood and Miss Gladys McCarroll.

Girls' Club officers are elected by popular vote each semester. Dues are collected, minutes are kept, and parties are given by the girls.

From the beginning of a girl's first high school year until the end of her fourth year, the club is an important part of her social life and it helps all the other girls to know each other better.

One of the traditions of the club is to have a party at the beginning of the school year. The upper classmen choose "little sisters" from the freshmen group and see to it that the freshmen have a good time. A few evening dances are given to which boys may be invited, and at the end of the year, a tea is given in honor of the departing graduates.

For almost twenty-five years the Club has established a feeling of friendship between the girls. May it continue to do so in the years to come.

Alice Fabrie

FRIENDS

"Society does not exist for itself, but for the individual, and the girl goes into it, not to lose, but to find herself."—Phillips Brooks.

"No friendship is so cordial or so delicious as that of girl for girl; no hatred is so intense and immovable as that of woman for woman."—Landor.

"Sincerity, truth, and faithfulness come into the very essence of friendship."—William Ellery Cyanning.

"In friendship we find nothing false or insincere. Everything is straightforward and sprung from the heart."—Cicero.

GLEE CLUB

Probably one of the most popular clubs of Pullman Tech. is the Glee Club. Such interest was shown that it was necessary to limit membership to juniors and seniors only. These enthusiastic students meet once a week under the able direction of Celia Vander Meer Kastelyn to sing and study music. Composed of upper classmen, the Glee Club helps the morale of the school by singing at assemblies and putting on special programs. Those in the Glee Club expand their knowledge in the field of music and at the same time derive a great deal of enjoyment from the singing.

This year, instead of its usual operetta, the Glee Club presented a successful variety show. This consisted of a minstrel show given by the boys and a comedy act called "Cindy Swings It" by the girls. A short operetta was also given, plus a few specialty acts and stunts.

The club has no officers, and members are retained in the club only for their talent and their willingness to cooperate. We all owe our thanks to Mrs. Celia V. Kastelyn for her patience and deep interest in the Pullman Tech. Glee Club.

Carole Prond

THE LOWDEN DEBATING CLUB

This year celebrates the twenty-sixth year of the Lowden Debating Club. The club has been under the able guidance of Mr. Sawyer, faculty adviser, for the last sixteen years. The club derived its name from the late Frank O. Lowden, former governor of Illinois, and former President of the Board of Trustees of our school.

Debates are held every other Wednesday on topics of importance, followed by several extemporaneous speeches. Students who partake in the debates gain the ability to speak and think intelligently before groups of people.

Carol Knoll

HI-Y

During its existence the Hi Y has never had a definite name. Last year the boys and Mr. Royster, our sponsor, decided on "Centaur". This year the boys are going all out for this name. The name "Centaur" was derived from Greek mythology. The Centaurs were half man and half horse creatures supposedly the bravest and smartest men of their time. Our gray and maroon Hi Y sweaters feature the Centaur emblem on an oval background.

As the year draws to a close we seniors wish to express our thanks to Mr. Royster for giving us so much attention and cooperation throughout the year.

During the year the boys all worked hard to attain the Hi Y purpose which is to create, maintain, and extend throughout the school and community, high standards of Christian character.

The **Pullman Manual**, a monthly publication, has just completed another successful year. The **Manual** represents every school interest and every individual, thereby making the paper a unifying element of the student body. It has imparted information and items of personal and general interest. Different issues deal with the current outstanding school events, and if the **Manuals** were saved from month to month, and year to year, each student would have a written record of all the important happenings during his or her high school years.

The entire staff is grateful to Mrs. Garner and Mr. Baer, the faculty advisers, for their tireless efforts and patience in guiding the staff throughout the year.

Marie Miller

CAMERA CLUB

The Camera Club, which made its debut this year at Pullman Tech., was received with open arms by a large number of the students. Mr. Plutz is sponsoring the club and Mr. McDougal has been kind enough to give his time to instruct the members on the rudiments of the camera.

Camera Club is held every other Wednesday with a different subject presented every week by Mr. McDougal. After his talk, a discussion is held by the members. Viewing the large membership of the club we are all sure that it will prove to be a great success and a great advantage to the camera fiends of Tech.

Alice Ticher

BRUBAKER SCIENTIFIC CLUB

The name of the scientific club, which was organized twenty-five years ago as the Weld Club, has been changed to Brubaker Club to honor our Dean and Faculty Adviser who has done so much for the club.

The purpose of the club is to explain the principles of science as applied to such subjects as ballistics, refrigeration, heating, etc. Talks are given by members of the club who volunteer for the subject under discussion. Mr. Brubaker then explains the subject fully.

It is the thought of the club to conduct various scientific experiments in the future, as well as to offer a social program.

Gerald Hoekstra

PULLMAN TECH. BAND

The Pullman Tech. Band was organized twenty-nine years ago by Mr. Jacob F. Hostrawser, who was also director of the Pullman Military Band. This band played at the first graduation in August of 1919. The graduation took place at Palmer Park. Mr. Hostrawser was bandmaster at Pullman Tech. until his death in 1922, when Mr. Melvin Martinson, a member of the Chicago Symphony Orchestra and a well known musician, was appointed director. Mr. James R. H. French, formerly a member of the British Army and a veteran of World War I, was appointed acting bandmaster. The next year Mr. French was made director of the band. Mr. French taught many of the band members from the beginning and has had many good bands in his years at Pullman Tech. He has done a very fine job.

In 1923, the year following Mr. Hostrawser's death, his wife presented a medal to the outstanding member of the band. This tradition was carried on until the death of Mrs. Hostrawser in 1940, when Dr. Philip Miller took over the presentation of the medal.

2nd Semester

President	Grace Belz
Vice-President	Maureen Des Forges
Secretary	Joyce Johnson
Treasurer	Gloria Dalla Costa
	Rhoda Dykman
	Maureen Des Forges
	Gloria Dalla Costa

The Pullman Tech. Girls' Drum Corps is in its fifteenth year of existence. Mr. James R. H. French organized the group in 1925, its purpose being to develop rhythm, marching ability, drumming and baton twirling. The corps has performed at many community functions, including Armistice Day parades, Pullman Twenty-Year Service Club parties, Pullman picnics held at Michigan City, Indiana each year, and the Pullman Safety Forums for many years. Whenever called on, we have presented our services cheerfully and willingly, and made a good showing at all times. This year, we have approximately forty-two members in the corps, consisting of color-guards, drummers, and baton-twirlers. The Drum Corps of 1946-1947 is doing its best to carry on the tradition set by the Drum Corps in previous years. With the girls' co-operation, and Mr. French's untiring leadership, we are sure to continue having a successful Drum Corps as in the past.

Gloria Dalla Costa

JUNIOR BOWLERS

SAFETY COMMITTEE

Each shop at Pullman Tech. has its safety committee whose duty it is to report unsafe conditions in the shop, display safety posters, and to remind students of the importance of continued practice of all safety regulations. The committees are composed of a chairman, secretary, and inspectors. Pins identify committee members. It is only by making safety habit on the part of every workman that accidents can be prevented.

PULLMAN TECH. FOOTBALL SEASON

On August 31, when Pullman Tech.'s gridders met for the first practice of the season, it was the first time in twenty years that Mr. Cummings did not greet them as football coach, although he continued to act in the capacity of Athletic Director. Mr. Gembler, the new coach, was greeted by a group of forty hopefuls and began preparations for the first game of the season. When the season ended, this same group of forty boys had made a fine record, having won the North Central Prep Conference championship and having placed second in the Mid-West Prep Conference, losing out by only a single point to Culver. The only other loss of the season was in the opening game with Calumet High School and this left the team with a splendid record of seven won and two lost.

After two weeks of drill, the squad was hardly ready to tackle such a tough opponent as Calumet High, but made a fine showing against the heavier and more experienced opponents only to lose a six to nothing game. This loss, however, was not considered a serious one, since the team had had little preparation. Likewise, it gave indications of the greatness of the team for the future.

The following Saturday, Tech. traveled to Lockport and there captured the first win of the season by an 18 to nothing score. Lockport proved to be a very capable opponent and it was not until the last few minutes of the game that our team was able to show any decided advantage.

The third game of the season found the team traveling to Indianapolis to battle with Park School. Park had an experienced and heavy team and it was only through improved

play by the Tech. team that they were finally able to win out a 13 to nothing victory. Park later on proved why they were such a tough opponent by tying Lake Forest Academy and coming within a few points of beating Culver.

Back on our own field to play the fourth game of the season against Onarga Military Academy, the team began to show its first real signs of strength and although Onarga proved to be a strong opponent, the team came through with a 32 to 6 victory. Most all of the players on the squad had an opportunity to play in this game and all showed to good advantage.

The fifth game of the season was one of the highlights when we traveled to Delafield to take on the usual strong St. John's Military Academy. This game proved definitely that our team was to be reckoned with in determining the championship of the Mid-West Prep Conference and after one of the hardest fought games of the season, the team came through with a 13 to 6 victory. It was the first time in a number of years that Tech. had defeated St. John's on their own field.

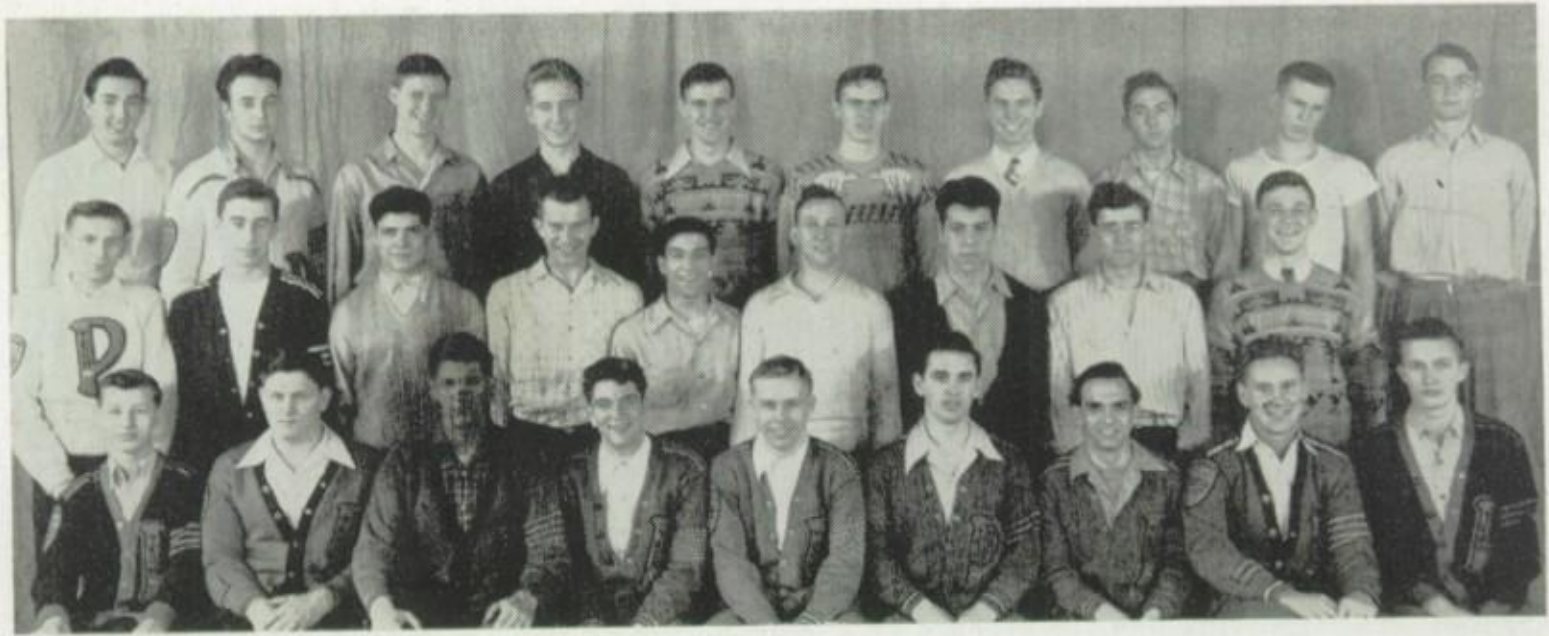

The following week, we met a weak and inexperienced Roosevelt Military Academy team on the home field and piled up a 52 to nothing victory. The first team played but one quarter of the game and scored three quick touchdowns. From that time on, the second and third teams took over and did almost as well.

Then on October 26 came Pullman's toughest game of the year, the Culver Military Academy. This game played before a large homecoming crowd was the deciding game for the Mid-West Prep championship. The game was fought on an even basis for three quarters, but early in the final period our team was able to put over the first score and when the try for point failed, led 6 to nothing. Culver then put on a determined rally and with but a few minutes to go, scored the tying touchdown and seconds later, kicked the extra point which meant the game and the championship.

The following Saturday, we traveled to Morgan Park to tangle with our rivals for the championship of the North Central Prep Conference. Morgan Park had not lost a game during the season and fully expected to win this game. However, our team showing a remarkable comeback after the discouraging loss to Culver, played heads-up ball and with a terrific fighting spirit upset Morgan Park with a 6 to nothing victory. In this game, Nick Adduci scored the only touchdown on the second play after the opening kick off and the team played a defensive game to hold on to its margin of victory and the championship.

The final game of the season saw the Tech. team in its greatest display of power during the year. Lake Forest Academy, formerly coached by Mr. Gemblar, came to our field fully expecting to win and retrieve a possible chance for the championship of the Mid-West Prep Conference. Our boys, however, were waiting for this one and were keyed to the limit to win. When the first half ended, our team walked off the field with a 32 to 6 lead and the Lake Forest team was a thoroughly discouraged group. In the final half, we scored two more touchdowns to make the final score 46 to 6.

For Coach Gemblar and the squad, this was a most pleasant year. The boys at all times showed a fine cooperative spirit and by their faithful attendance at practice and hard work, were able to make this one of Tech.'s finest seasons. The student body, likewise played a most important part in building up this fine spirit and on our trips to St. John's and Culver, several bus loads accompanied the team to cheer them on to victory. A great number of the squad will be lost by graduation but with seven returning lettermen and a number of younger boys showing a great deal of promise, we are looking forward to another fine season next fall.

First Row: Grazian, Forte, Delke, Cracco, Spiller, Lindstrom, Valette, Paglia, Skinner, Van Proyen.
 Second Row: Yuknis, Lucas, Adduci, Fritz, Gatto, Surma, Ponseigo, Patterson, Gorski.
 Third Row: Wator, Wondaal, Olivi, Stefanski, Nelson, McGee, Kruc, Johnson, Swardson.

1946-1947 BASKETBALL SEASON

The 1946-1947 Basketball season under Coach Nick Maravolo was the best Pullman Tech, has had in many years. The final season record was seven wins and nine losses. Although Pullman did not quite win half of its games it outscored its opponents, 612-597. This was due to the fact that of the nine games lost, eight were lost by 10 points or less while six of these losses were by six points or less. Pullman finished second in the Midwest Prep Conference and tied for second in the North Central Prep Conference. For the first time in history, Tech. defeated all the Academies this year in some sport.

Tech's first victory was against Roosevelt M. A. who were defeated easily 56-26.

We next defeated Lake Forest Academy for the first time in history by a 46-42 win in an overtime period.

Pullman's following victory was a 39-25 win over St. John's M. A. This was the first time a Pullman basketball team had ever defeated St. John's.

The fourth victory of the year was a closely contested 28-25 victory over Culver.

On successive nights the home team defeated Roosevelt M. A. for the second time by a 55-42 score and Onarga M. A. in a 35-33 thriller. These two games were played at Morgan Park M. A.

The last win of the year was a 51-38 win over Elgin Academy on the home floor.

Pullman Tech. was defeated in the first round of the Midwest Prep. Basketball Tournament by Park School of Indianapolis by a score of 39-37.

Richard Wondaal was chosen on the first Midwest Prep. All-Conference basketball team and Bob Lindstrom was placed on the second teams in the Midwest All-Conference and All-Tournament teams. Lindstrom was also placed on the North-Central Prep Conference's first team.

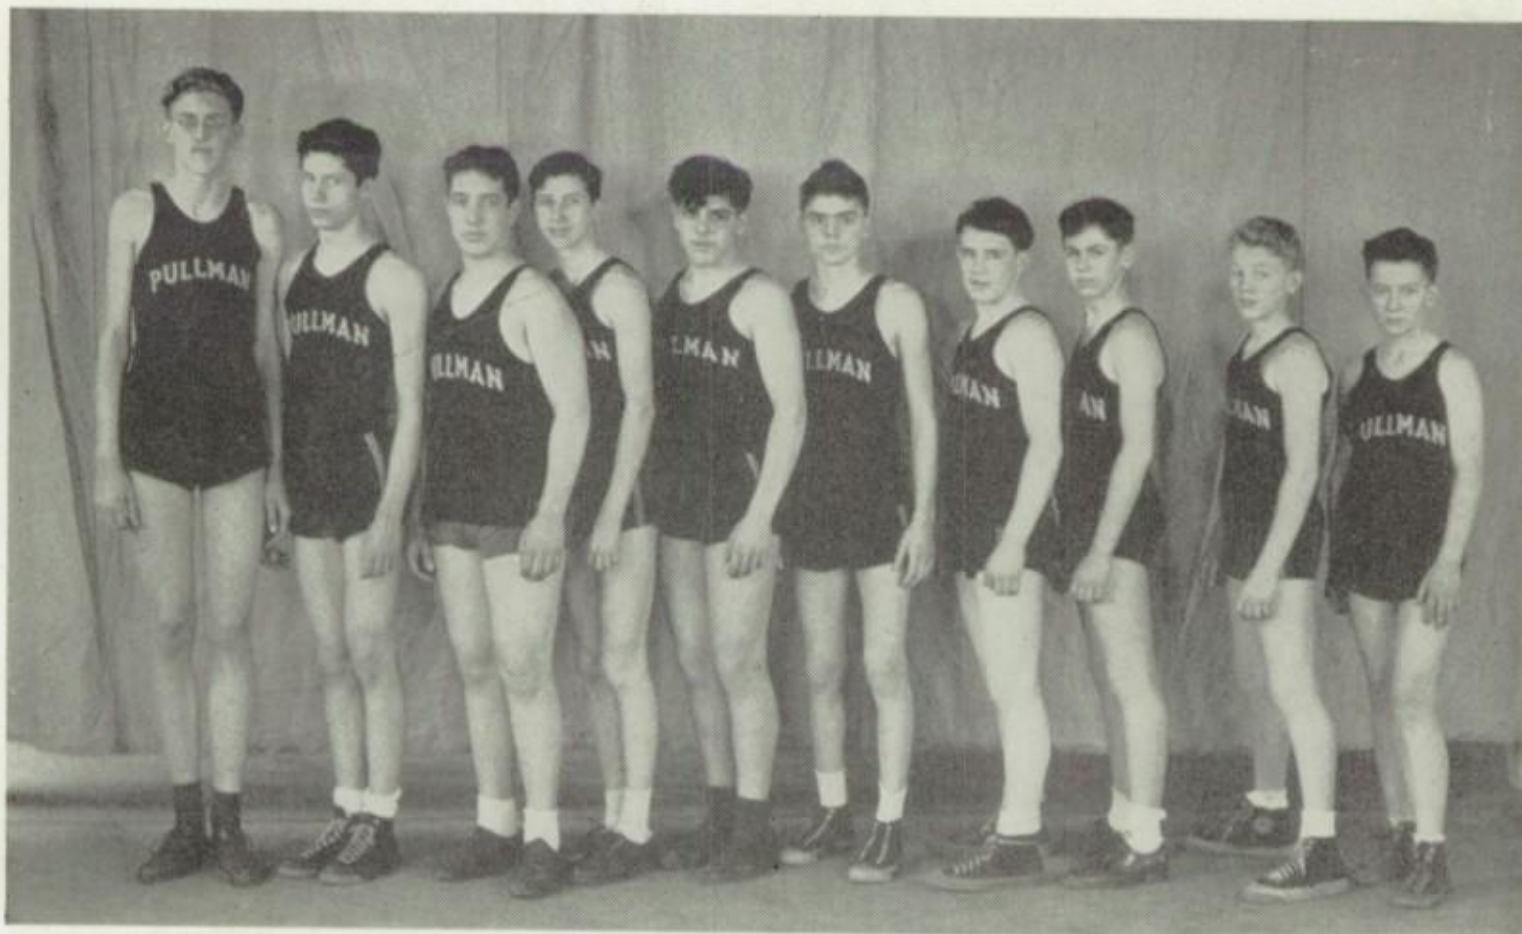

STANDINGS

Mid-West Prep. Conference Standing

FRESHMAN AND SOPHOMORE BASKETBALL

During the last basketball season, Pullman Tech. entered a freshman and a sophomore team in a league for boys fifteen and under played at West Pullman Park. The sophomore boys finished second with a record of thirteen wins and two losses, while the freshmen finished in a tie for third place with a record of seven wins and eight losses.

Boys who played regular for most of the games were:

SOPHOMORES—Forward, Lee; Forward, Traverso; Center, D. Frigo; Guard, Wall; Guard, Ruhnke.
FRESHMEN—Forward, E. Frigo; Forward, Doherty; Forward-Center, Mapes; Center, Plantinga;
Guard, Semple; Guard, Gandolfi.

Top Row: Swardson, Rafferty, Petrauskas, Matushek, Scudella, Rossler, Opty, Aratri, Walt, Wolf, Lulkowski.
 Second Row: Pellegrini, Surma, Filomeno, Patterson, Farnesi, Gorski, Patterson.
 Third Row: Mr. Maravolo, McGee, Fritz, Yuknis, Lindstrom, Valette, Stefanski, Paglia, Kruc, Martello.

TRACK

Lettermen returning this year are Ed Valette, Bob Stefanski, Bob Fritz, Jim Paglia, Bob Lindstrom, and Ed Yuknis. Others returning from last year's team are L. Farnesi, E. Gorski, J. Scudella, C. Patterson, F. Patterson, J. Rafferty, G. Pelligrine, J. McGee, K. Kruc, T. Opyt, T. Surma, E. Matushek, A. Aratri, R. Petrauskas, H. Wolf, M. Rossler, D. Filomeno, J. Walt, and A. Swardson. Upper classmen coming out this year who were not out last year include T. Johnson, D. Forte, A. Pettenon, B. Craig, H. Prond, E. Chiarello, K. Kulig, W. Nelson, M. Martello, and G. Dikun. Several freshmen will also be on the team.

1947 TRACK SCHEDULE

- April 19—Elgin Academy at Elgin
- April 25—Blue Island and Morgan Park Military Academy
at Blue Island
- May 3—Lake Forest Academy at Lake Forest
- May 8—Morgan Park M. A. at Morgan Park
- May 17—Midwest Conference meet at Elgin
(Pullman Tech., Culver, St. John, Elgin, and Lake Forest)
- May 20—Thornton Fractional and Argo at Thornton Fractional
- May 28—Morgan Park M. A. at Morgan Park
- May 31—Culver at Culver

As the Annual goes to press before the track season starts, the above schedule is arranged for your convenience.

Prospects for this year seem to be fairly bright as over fifty candidates turned out for the track team this year.

Demsey
CHEERLEADERS

Standing: Lindell, Candlin, La Plante, Augustine, Jachna, Schultheis, Semancheck.
Kneeling: Blackmore, Anderson, Knoll, Strong.

BOXING SHOW

Standing: Brzostowski, Walsh, Bonomo, Craig, LaPlante, Martello, Vander Wal, Madziarezk, Enright, Aratri, Walt, Ghezzi, Koza.
Seated: Bettinardi, Kogut, Augustyn, Arrivo, Salvatore, Semple, Milani, Santerior.

Standing: Jachna, Bertalan, Brazzale, Wagner, Bortoli.
Seated: Aklinski, Knoll, Michalik, Popielarczyk.

TUMBLERS

T is for tumblers; we're known by
that name,
U is for "You" who will give us
our fame.
M is for muscles; we need them
too!
B is for balances; many we do.
L is for laziness; we'll have
none of it,
E is for exercise. We'll always
be fit.
R is for relaxing when we are
through.
S is for strength, vitality
too.

M. A. Milani

TUMBLING CLUB

The Tumbling Club offers a source of entertainment and recreation for girls who enjoy athletics. It is now in its ninth year of existence, and during this time it has proved beneficial both athletically, and as a means of entertainment on "Gym Night" and between the halves on the football field. The work of the club consists of learning and practicing diving, balances, cartwheels, handstands, headstands, backbends, and building pyramids.

The officers are Adeline Clousing, president; Eleanor Jachna, secretary. Eight senior girls, Peg Blackmore, Adeline Clousing, Lois De Young, Carol Knoll, Dorothy McCoy, Mary Ann Milani, Dolores Montalto, Carole Prond, were awarded school letters for their outstanding work in the club for three years.

The club wishes to thank Miss Margaret Stone for her friendly supervision and able direction during this, her first year as director, succeeding Mrs. Neubauer, who founded the club.

Mary Ann Milani

VOLLEYBALL

The Roseland Community Hospital School of Nursing was established in 1924. The School is accredited by the Illinois State Board of Nurse Examiners and has affiliation with Cook County Hospital, Chicago, Illinois in psychiatric nursing, communicable disease and pediatrics.

The Nursing School prepares young women through their training to meet the ever increasing demands made upon the Professional Nurse of today, it maintains a high morale by a broad program of extra curricular activities, and graduates of the Roseland Community Hospital School of Nursing are eligible for membership in the Red Cross Nursing Service and the American Nurses Association.

The fields for service, achievement and interesting employment are many.

Roseland Community Hospital admits classes in September and February of each year.

NOVEMBER

- 1—No, the freshies are not forgotten. The Girls' Club gave a party just to honor and welcome them.
- 2—Here we go again. P.T.-6, Morgan Park-0.
- 5—The girls are in the light now. They have started the Captain basketball tournament.
- 8—The Alumni held their smoker today. Also there was another pep assembly.
- 9—The Lake Foresters were downed 46 to 6 by the big eleven.
- 11—Now, here is something interesting, Armistice Day; so there is no school today.
- 13—Can you imagine this? The sophomore girls won the captain basketball tourney. Congratulations.
- 14—Here is the very best news of the year. P.T. rose above their opponents to win the North Central Prep. Conference. The football banquet was held and honors were given to Tom Johnson, Bob Lindstrom, Nick Adduci, Rich Wondaal, Val Grazian, and Vic Cracco. Cheerleaders who received letters were Peg Blackmore and Shirley Anderson.
- 20—Here come the seniors again with one of their roller derbies.

NOVEMBER

22—The Drum Corps gave a dance this evening.

28-29—This is all for the turkey, and for school for a few days. You guessed it, it's Thanksgiving.

DECEMBER

3—The Lions' Club honored our football team with a luncheon this afternoon.

6—Basketball begins. We lost to Harvard 48 to 25.

10—More basketball. Again we lost, this time to Christian with a sad score of 31 to 29.

11—Well, the juniors are giving another skating party.

17—Today the American Legion gave a banquet in honor of the P.T. and Fenger football players.

17—This is very boring. We lost in basketball to Harvard 37-32.

18—Everybody is busy reading the Manual today.

19—This should be put in capital letters. We won our first basketball game. P.T.-56, Roosevelt-23.

20—Everybody is all dressed up this evening for the Girls' Club Dance. It was a very nice affair.

21—Now the fun starts. This is the first day of the Christmas vacation. This will continue through January 6.

JANUARY

6—Here we are back again.

10—Well! Well! Another run. P.T.-46, Lake Forest-42.

11—Oh, we lost. P.T. 43—Onarga 49.

11—The P.T. Hi-Y gave a splash party and a dance this evening at the Y.

18—St. John's went home very sad today. We came out above them by fourteen points.

21—All our stars received their letters at a special assembly today, and then they went out to lose to M.P.M.A. 35-49.

24—Today we lost to Lake Forest by three points.

29—The best skating party of the year was given by the seniors today.

FEBRUARY

- 4—The Manual made another appearance today.
7—The new club, P.A.G.A., gave a very nice Valentine Dance this evening.
8—Culver M.A. came to the Y.M.C.A. and we beat them to the tune of 28-25.
12—Aren't you glad that Lincoln was born? We had a holiday on account of him today.
12—We lost to St. John's, 39-31.
14—This is a nice comeback. We beat Roosevelt 55-42.
15—Two in a row! Wow! P.T. 35—Onarga 33.
19—This is a sad one. We lost to M.P.M.A. by one point.
21—We downed Elgin 50-31.
26—The juniors are giving their skating party tonight.
28—Our Basketball team is going to the basketball tournament at Lake Forest today. We came in third.

MARCH

- 3—Who ever heard of night school at P.T.? Well, it is just because of Open Evening.

7—You probably got a thrill tonight by watching the freshmen and sophomore boxing and wrestling show.

11—There are a lot of extra smiles floating around today. Annual pictures are being taken.

20-21—The P.T. Phollies were given. It certainly was a good show.

26—It's about time. The sophomores gave a skating party.

APRIL

3-4-5-6—Oh boy! Holidays. This time it is Easter.

10—Another nice Hi-Y dance.

23—Roller derby, yes? The juniors gave it.

MAY

16—Again the girls. This time the Girls' Club gave a dance.

21—The girls are putting on a nice affair in the gym tonight—Gym Night you know.

30—Another holiday. Memorial Day.

JUNE

20—Farewell to the seniors. Commencement today.

Zenere: "Why is ink like a pig?"

Swardson: "Well, they both run out of pens."

Did you hear about the fellow who took a clock upstairs to see it run down?

Then there was the fellow who put a clock under his bed so he could sleep over time.

There was once a man who wore boots up the stairs because he heard there was a creek in them.

Girl to her boy friend: "Do you still love me?"

Boy friend: "Why certainly, honey, why should you be an exception?"

Van Eck: "Say, how many children does Alderman Du Bois have?"

Rimkus: "Two boys."

Salesman: "Why, this machine will do half your work."

Gatto: "Fine. I'll take two of them."

FEEDING—A BASIC INDUSTRY

An important part of this nation's high standard of living is the diet we enjoy—quality foods such as meat, poultry and dairy products are commonplace on the American dinner table.

Both the quantity and quality of these foods are, to a great degree, a direct result of the research and educational activities undertaken by processors of commercial feed.

Hales & Hunter are a recognized leader in the feed industry. Our pledge "Quality Results at Low Cost" is backed up with 40 years of successful experience. Along with our acknowledged leadership we are burdened with the responsibility of constantly improving our product—the responsibility of adding to our present personnel the intelligent, aggressive type of employee necessary for our continued success.

In our modern mill at Riverdale—just a few miles to the south of Pullman—you can meet your friends and neighbors. Not just employees but associates in a primary business operation.

REMEMBER!—Feeding is a basic industry.

Hales & Hunter are feed specialists.
When you think of a career—think of the advantages of being associated with a truly basic industry.

Wondaal: "Say, old man, can you let me have five . . ."

Johnson: "No . . ."

Wondaal: ". . . minutes of your time?"

Johnson: ". . . trouble at all old pal."

Customer: "Do you give a guarantee with this hair restorer?"

Clerk: "Guarantee? We give a comb."

P. Blackmore: "My sister ate some chicken yesterday."

Teacher: "Croquette?"

P. Blackmore: "No, but she's very sick."

A Texan heard that a factory was interested in buying frog skins, so he wired the company he could supply any amount of bullfrog skins up to 100,000 on demand. Needing skins badly, they wired him to send the entire 100,000. About ten days later a single dried skin came through the mail with a rather pathetic letter:

Gents, I'm sorry about this, but here's all the frog skins there were. The noise sure fooled me.

HYMN OF THE GRADUATE

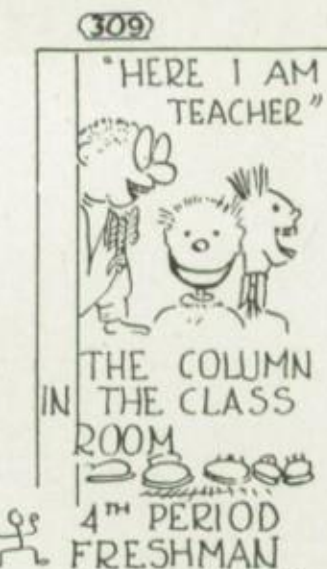

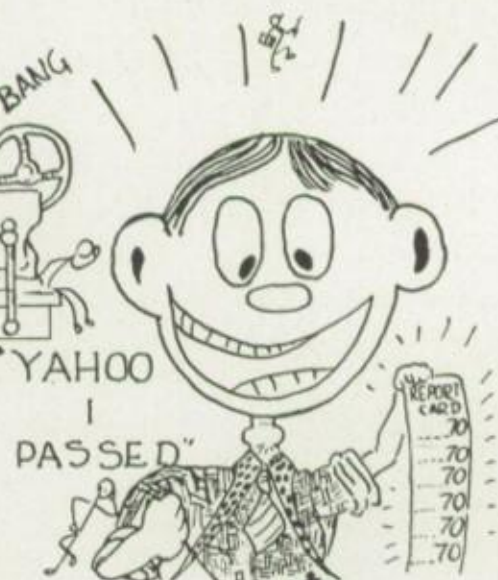

Now comes the time:
These last few days slip by on small
Swift silver feet.
So silently, so swiftly do they fly
That scarce we know we have them 'ere they're gone.
Now we are Seniors,
Standing within the pale—
Alma Mater's chosen ones.
Soon we will be
Naught but the outer guard—
Walking forth, stiff and straight,
Watching with hungry eyes the new recruits.
Yet while our banners fly,
Let us be happy.
We still belong here.
None can deny us.
And each man has some day his place
In the sun.
Others before us have had to leave, sorrowing;
Those who will follow
Shall some day depart.
We have been joyous here. We shan't forget it.
We shall remember, though tears dim our vision,
Though harsh city noises deafen our ears.
We shall remember
Our dream dotted campus—
The sweet tower chimes ringing clear in the
daytime—
Tolling soft in the twilight
To tell us the hour.
We shall remember.

WHO IS EDUCATED?

Whom, then, do I call educated? First, those who manage well the circumstances which they encounter day by day, and who possess a judgment which is accurate in meeting occasions as they arise and rarely miss the expedient course of action; next, those who are decent and honorable in their intercourse with all with whom they associate, tolerating easily and good-naturedly what is unpleasant or offensive in others and being themselves as agreeable and reasonable to their associates as it is possible to be; furthermore, those who hold their pleasures always under control and are not unduly overcome by their misfortunes, bearing up under them bravely and in a manner worthy of our common nature; finally, and most important of all, those who are not spoiled by successes and do not desert their true selves and become arrogant, but hold their ground steadfastly as intelligent men, not rejoicing in the good things which have come to them through chance rather than in those which through their own nature and intelligence are theirs from birth.

Those who have a character which is in accord not with one of these things' but with all of them these, I contend, are wise and complete men, possessed of all the virtues.
